## 2008 Tuition Assistance and Scholarship Application

Education Unlimited sponsors two programs that provide financial assistance to families who demonstrate financial need:

**1) The Education Unlimited Tuition Assistance Program** provides partial tuition assistance awards to those who can demonstrate financial need. The largest awards will not exceed 50% of the program's total tuition; East Coast College Tour and CAPC Destination awards will not exceed 25% of the program cost.

**2) The Education Unlimited Scholars Program** has funding of at least \$11,000 to provide full scholarships (which cover all camp tuition costs, but do not cover travel to/from the program or incidental fees, such as airport shuttle or camp t-shirt). Scholarship applicants will be evaluated for both need and merit. Students who are not selected for a scholarship will automatically be considered for the Tuition Assistance Program. Application to the Scholars Program requires the submission of transcripts, three letters of recommendation and a personal statement, in addition to the items required for our standard tuition assistance application. The East Coast College Tour, CAPC Destination, and Summer Focus are not eligible for this program.
